How has this time in Proverbs been for you? What have you learned or how have you been challenged to grow?

Have you had the experience where the promises of Proverbs disappointed you or where you thought they somehow didn't apply to you?

## #spirituality

Read Proverbs 10:3-4. On the surface, this verse looks really practical, but it also teaches us that God is behind everything. How often do you think about that?

On Sunday, I said "Everything is Spiritual." What does that mean to you?

On Sunday, I also said that Solomon's own character flaws prevented him from experiencing life the way God wanted him to have it. Read these passages from Ecclesiastes and share with the group what they are saying to you: Ecc 1:12-14, 1:16-2:22 • 3:12-13 • 12:13.

Now read Psalm 27. What differences do you notice between Solomon and David?

The Christian life is not just about obtaining wisdom or experiencing new things or getting healthy or getting blessings or accomplishing things. Read John 15:4 and John 16:12-15. In light of Psalm 27 and these passages from John, how would you describe the way God really has designed us to live?

What does it mean to say Spirituality is Everything?
